Online Education

| | |
|---|--|
| 1. Does all programs/courses were completed on time. | Yes |
| 2. Measures taken to complete the syllabus of courses and programs. | <p>The college is affiliated to Bharathiar University and adheres to the curriculum prescribed by the university. The academic calendar is set at the beginning of every year according to the academic calendar of the university. The CBCS pattern was introduced and followed. The college has implemented Outcome-Based Education from 2020-21 in accordance with university guidelines.</p> <p>The institution has well defined vision and mission with the goal of teaching students to communicate knowledge and preparing them to be lifelong learners. The institution's vision and goal are stated out for students through the institution's website, handbook, and prospectus. Prior to the start of the semester, the Principal conducts meeting with the HoDs. The HoDs conducts the department meeting, and decides the subject allocation for staff members based on their areas of specialization and expertise. The faculty prepares the lesson plan for each subject that is submitted to the HoD well in advance, which includes topics covered, teaching methods, references, assignments, field trips, ICT enabled learning, LMS tools, industrial visits, and so on and faculty members upload subject-wise lesson plan and study materials in campus management system, such as the Institution LMS and Google Classroom, where students can download and interact in a digital forum. The pre-distribution of semester planning to students ensures that the curriculum is delivered in a well-planned manner. Bridge courses are offered to students in order to fill knowledge gaps and identify slow learners.</p> <p>The students were trained employing various teaching methods such as presentations, discussions, and so on. Learner-centric approaches are incorporated for optimal outcomes in periodic interactions with experts to provide students with a broad exposure and comprehensive learning experience. The library has a significant collection of books and reference materials, comprising periodicals, magazines, e-books, and online resources.</p> <p>To ensure that lessons execute effectively, the class representative maintains the work log, which is then reviewed by the HoD and submitted to the Principal. The HoDs, Vice Principal, and the Principal monitors meticulous planning in terms of workload, timetable, and academic calendar. Staff and student feedback is collected through MyKlassroom.com and Google Forms. Class Committee Meetings are held to evaluate how far the syllabus has progressed. IQAC successfully monitors academic activities on a regular basis.</p> <p>During the pandemic, the curriculum delivery was substantially overhauled. Google Classroom, Google Meet, and other ICT resources were used to provide the curriculum. Curriculum scheduling, lesson planning, attendance tracking, and assignment allocation were done online and communicated with faculty and students. As a monitoring mechanism, faculty members are given a timesheet to fill out once their hours have been completed. The Principal and the IQAC monitors the curriculum delivery process. The faculty members believe the transition to digitization to be quite uncomplicated because the institution has already pioneered the use of a digital platform prior to the pandemic</p> |
